

## Bottom-fermented beers

# Helles

## Helles

Brilliant light-yellow color, clear gloss fine look, clear malt-aroma, underlaid with agreeable light hops and yeasts. A wonderful bright, harmonized, full-bodied and divinely balanced.

Original extract concentration: 12.3°

Alcohol concentration: 5.3% vol

# Helles

*leicht*

## Helles Leicht

Wonderfully effervescent and invigorating, with a fresh hoppy note. A summery-light beer - and the perfect alternative, when (feel like having) a little less alcohol.

Original extract concentration: 8.7°

Alcohol concentration: 3.7% vol

# Helles

*alkoholfrei*

## Helles Alkoholfrei

A hoppy fine-aromatic with flattering sweetness.

Isotonic and alcohol-free.

Alcohol concentration: <0.5% vol

# Fürsten Trunk

## Fürstentrunk

Our bright Festbier. Strong in taste with full hoppy aroma, slight sunny malt flavor and higher original extract. An insider tip among beer connoisseurs.

Original extract concentration: 13.6°

Alcohol concentration: 5.7% vol

*bayerisches*

## **Pils**

### **bayerisches Pils**

Fresh, sparkling, with a slight, slender body. The exclusive use of best Hallertau aroma hop creates a deliciously young, fresh bitter note.

Original extract concentration: 11.8°

Alcohol concentration: 5.1% vol

## **Dunkel**

### **Dunkel**

The beer from good, old times: Strong dark brown with subtle caramel taste. Soft to drink with delightful dark malt character, pleasantly full-bodied.

Original extract concentration: 12.9°

Alcohol concentration: 5.0% vol

## **Zwickl**

*naturtrüb · kellerfrisch*

### **Zwickl**

Naturally cloudy, from the cool depths of the storage cellar. Harmonized with dynamic-fresh malt and hop flower. A beer for happy aficionados.

Original extract concentration: 12.3°

Alcohol concentration: 5.3% vol

## **Zwickl**

*alkoholfrei*

### **Zwickl Alkoholfrei**

Yeasty-fruity aroma and floral hop flavor. An unfiltered natural product with light yellow color and distinct cellar turbidity straight from the lagering tank.

Alcohol concentration: <0.45% vol

# Josef

## Josef

Deep golden color. Power and volume form the special character: Harmonious, exciting and elegant, complemented by fresh hop notes.

Original extract concentration: 16.5°

Alcohol concentration: 7.2% vol

# Maximilian

## Maximilian

Dark fiery color, velvety soft to drink. An unforgettable intense taste of roasted malt flavour, caramel and a hint of chocolate.

Original extract concentration: 19.2°

Alcohol concentration: 7.8% vol

## Top fermented beers

# Weißbier

## Weißbier

Honey color with all the strength and properties of our yeast. Wonderfully refreshing with its soft yeast and full (bodied) fruit aroma. Our masterpiece, behind which is our passion - and over 400 years of brewing experience.

Original extract concentration: 12.3°

Alcohol concentration: 5.5% vol.

# Weißbier *dunkel*

## Weißbier Dunkel

Hazel brown with fine yeast. A distinct deeper spicy-smoky flavor from the special dark malt, with a faint fruit note. Brewed according to our special old Bavarian process.

Original extract concentration: 12.3°

Alcohol concentration: 5.2% vol.

# Weißbier

## *leicht*

### **Weißbier Leicht**

Honey color and naturally cloudy, fruity and fresh. An ideal drinking pleasure with low calories, reduced alcohol content and full-bodied flavor.

Original extract concentration: 8.8°

Alcohol concentration: 3.5% vol

**WEISSBIER  
SPEZIAL  
EDITION**

### **Weißbier Spezial Edition**

The rich sparkling body revives the senses, the deep dark amber color is pleasing to the eye and the full, round flavor ingratiates the palate. More natural yeast and less carbonic acid makes the Special Edition a unique beer consumption.

Original extract concentration: 12.3°

Alcohol concentration: 5.4% vol

# Weißbier

## *alkoholfrei*

### **Weißbier alkoholfrei**

Refreshing, effervescent with full taste. Thanks to its isotonic property, it immediately supplies the body with its goodness. The Weißbier non-alcoholic beer is calorie-reduced and consists exclusively of natural ingredients, just right for athletes and connoisseurs.

Original extract concentration: 12.5°

Alcohol concentration: 0.45% vol

# Radler

## *naturtrüb*

### **Radler naturtrüb**

A fruity-fresh treat with real lemon juice and natural turbidity.

Alcohol concentration: 2.4% vol
